

README: UIST 2026 Interactive Demo

This folder contains the **interactive 3D landing page preview**.

Contents

- **UIST26-Preview.html**: The interactive demo.
- **statue.obj**: The 3D logo asset.

How to Preview

1. Open **UIST26-Preview.html** in your browser.
2. Click "Select OBJ File" and upload the provided **statue.obj**.
3. **Note:** The manual upload is **for this demo only** to bypass local browser security. In the final website, the model will **load automatically** without user input.

Visual Specifications

- **Background Color:** #292826
- **Interactions:** Supports drag-rotate, scroll-zoom, and slow auto-rotation.
- **Transition:** Video fade-out → 3D model ease-in (front-facing).
